

Walking on water!

It had been a very busy day for Jesus. He needed to be quiet, so he went to pray. His friends set off across the lake in their little fishing boat.

As they reached the middle of the lake, the wind started to howl round the boat. The little boat rocked on the water. The wind blew stronger than before.

Jesus' friends were a little bit scared. They tried to row the boat, but the wind was far too strong.

Suddenly, they saw something. A man walking on the water! Now they were very scared!

'Don't be afraid,' said the man. It was Jesus! He climbed into the boat and told the wind to be still. And it was.

Jesus' friends could see what an amazing person Jesus was.
